2024 Picnic Report

By Chuck Fairbanks

We had terrific weather for the 2024 UFO Club Picnic a few weeks ago. A little more than 30 club members and their family members turned out for food and fun on a beautiful Sunday. It was great to reunite with friends and catch up! Thanks to the folks at Da Que in Lancaster for bringing their food truck and all of that DELICIOUS food!

Award highlights include Lee Fisher, who won the 50/50 raffle, Tom Waibel, who won the gas can and agitator awards and Tom Rice, who won Blind Man’s Bluff, getting within 15 inches of the front pylon!

There are a few pictures from the day on the page below.

Duties of the UFO Cruise Director

By UFO member Rod Wilson.

For the Third year in a row the United Ford Owners has been unable to find someone to hold the post of Cruise Director.

During the last UFO membership meeting, the idea was shared that maybe the reason that we were unable to find any candidates was that members didn’t know what the duties include:

They need to find a location to hold the cruise, and it should have places nearby to eat and can provide electricity.

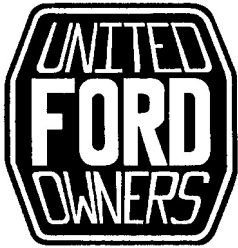

Pick dates and times (such as first Saturday of month) to hold the show and rain dates. Usually the club will have input on this.

Take care of the items ahead of time that needs done such as getting a DJ, getting money from the treasurer to use to make change, purchase door prizes within budget as allotted by club, and make sure everything is still in the van to handle registration, club merchandise, flyers, membership applications.

The last items which involve getting the van to the site and setting up the tent, registration, putting out the door prizes, and putting out the cones is probably the easiest because you normally have plenty of help from other club members.

Anything I might have forgotten, but not to worry, many of the members have held this position and would be glad to help you if anything comes up that you are not sure of how to handle.
