## UFO Cruise-in Needs Help on May 17th Set Up

Cruise-in Director (Bryan Bowen) is asking for help for the May 17th cruise set up and operation. If you have some free time on Saturday please contact **Bryan Bowen 614-333-3325, or e-mail at [bryan-w-y@hotmail](mailto:bryan-w-y@hotmail.com)** or just show up around 2:00 at the cruise-in site.

**April 19 Saturday Evening**  
**UFO Cruise/Show**  
**At Great Southern Shopping Center**

The UFO cruise-in at Great Southern shopping center had great weather especially for April in Columbus! It was sunny and warmish. This was the first chance that many people had to go to a show since October and it showed. Many of the attendees were quick to showoff the improvement they had made to existing cars or show off the new addition to their car family. The sunny warm weather also had a positive effect on the show attendance with around hundred cars and trucks attending. The site at Great Southern has turned out to be a great spot to have the UFO cruise, the location is great, with plenty of parking, places to eat, and great visibility from High street. New Cruise director Bryan Bowen is really doing a great job . So mark the 3rd Saturday of each month - May thru October - on your calendar and plan to attend. Here are some pics of some cars and people that attended our April show. If you have any questions please contact Cruise Dir. Bryan Bowen 614-333-3325, or e-mail at bryan-w-y@hotmail or

**UFO Will Have Booth at 2015**  
**Goodguys**

The United Ford Owners will have a booth this year at the 2015 Goodguys PPG show in Columbus. The booth would be used to promote the UFO Fall Super Swap that the club holds each year. We may be able to split the cost of the booth with the Mid-Ohio Club which would be promoting the Spring Ford swap. Just as with the Spring Super Swap **the club will need volunteers to help man the booth**. The shifts will be 4hrs long each and will cover any of the three days of the show. If you would like to volunteer to work any of the shifts please contact **Terry at 740-607-1451 or email [tbucket@columbus.rr.com](mailto:tbucket@columbus.rr.com) or Thomas Waibel at (614)444-1504 or e-mail [t.waibel@yahoo.com](mailto:t.waibel@yahoo.com)**

**UFO Banquet for 2015**

It was proposed by Pat Harrington during the April 16th meeting to move the UFO Banquet from January to March in 2015. The motion was made by Bryan Bowen to make the change and voted on by the members present. The motion passed and Pat then made a motion to again have the banquet at Berwick Party House This motion also passed. Pat has since stated that she has contacted Berwick Party house and that the **UFO Banquet would be held on March 28, 2015.**

**Who is going to Ford Show in**  
**Carlisle, Pa ?**

The club is trying to find out who is going to the upcoming Ford Show in Carlisle, Pa. For several years now the club has been renting/providing a tent for the use of the members during the show weekend. What we want to know is how many members are planning to attend the Ford show at Carlisle this year, and if you think renting the tent is a good idea. Please contact **Terry at 740-607-1451 or e-mail [tbucket@columbus.rr.com](mailto:tbucket@columbus.rr.com) or Thomas Waibel at (614)444-1504 or e-mail at [t.waibel@yahoo.com](mailto:t.waibel@yahoo.com)**, and let them know what you think.

## Points & Plugs

By Chris Browning

February has come to an end, but the lousy weather hasn't. On the one nice day we had at the end of the month, I was able to get the Merc out of the garage and take it on a short drive. I didn't realize how much I missed driving her, and I'm ready for spring to hurry up and get here! The end of the month also brings back racing for another season, so there is that.

With warmer weather hopefully coming soon, the time is getting close for car activities to start. The first event on my calendar is the Lancaster swap meet on March 23rd. It's not a major event, as it only fills one building at the fairgrounds, but it does signal that the season is beginning. I've set up at this meet for a couple of years, and have always seen something I'd like to add to the garage or basement mancave. This event is open to all makes and draws a decent crowd.

The first major event is the Mid-Ohio Ford club Spring Swap Meet in early April. I have helped man the UFO booth in the past, and will volunteer to do the same this year. It's a good time seeing and talking with other club members and enticing newcomers to join. Plus it gives me the chance to walk around and check out the meet, which I don't get to do at Superswap.

Our first cruise-in will be coming up soon after, and I hope the weather cooperates. I look forward to the first show of the year, because that means that summer isn't too far off. I'm also looking forward to the postponed UFO banquet, and hope to see a lot of you there!
